Introduction

The plans to bomb Islam continue, the age of Dajjal has dawned upon this Ummah and this Ummah has to be awake, alert and boot this very evil from its liver. This is the Ummah of Rasulullah ﷺ, the best Ummah!

Allah Ta'ala says in His Untainted Kalaam, The Noble Quraan:

كُنْتُمْ خَيْرَ أُمَّةٍ أُخْرِجَتْ لِلنَّاسِ تَأْمُرُونَ بِالْمَعْرُوفِ وَتَنْهَوْنَ عَنِ الْمُنْكَرِ وَتُؤْمِنُونَ بِاللَّهِ

"You are the best Ummah raised for mankind. You bid the good and forbid the evil and believe in Allah."

Surah Aal Imraan, verse 110

The ploy of this era is the name changing game. Rasulullah ﷺ warned about the name-changing game which will penetrate the hearts from the very same Ummah:

"From my Ummah there will be some people who will consider illegal sexual intercourse, the wearing of silk, the drinking of alcoholic drinks and the use of musical instruments, as lawful."

Sahih al-Bukhari: 5990

Currently, the United Ulama Council of South Africa is about to dine in another celebration whilst the swine continues to chew on the very spine of the Muslim "minority."

“Minority” is the trending term used by these “Muslims” with a thick complex of inferiority protruding from their foreheads. This word is used to place you, O Ummah, into a crippling form of despair.

Muslim Views reported, *“The event, hosted by the United Ulama Council of South Africa (UUCSA), will bring together leading imams and Islamic scholars’ councils from the English-speaking world to discuss critical issues facing **Muslim minority** communities globally.”*¹

Intent

In this document with the mercy and grace of Allah Ta’alaa we seek to engage our hearts to establish the firm truth so we do not fall into ‘Samiri style’ of deception. We need to determine where the future of Islam within South Africa lies as UCCSA and company seek to implode it from its very core!

Allah Ta’alaa has placed His Angels for the service of Human Beings:

“For him there are angels replacing each other, before him and behind him, who guard him under the command of Allah.”

Surah R’ad, verse 11

This is to protect them from harm. However, once mankind return to their evil habits then the Angels also retreat. A most befitting example here at this juncture in recent times and you probably can never forget when Britain lost their Queen of Hell!

Queen Elizabeth II

This article is more than 2 years old

The day Queen Elizabeth died: the inside story of her final hours

On the 8th of September 2022, The Angels of Allah Ta'ala slapped her to death!
Allah Ta'ala says:

And only if you were to see (Queen Elizabeth and the likes) when the angels take out the souls of those who disbelieve, beating their faces and their backs, and (saying) "Taste the punishment of the flaming Fire."

Surah al-Anfaal, verse 50

Now Kuffaar mourning her death is understandable, can a Muslim ever mourn the death of a non Muslim?

LONDON — Almost 2,000 guests attended the elaborate state funeral of [Queen Elizabeth II](#) on Monday. But just one of them had eight legs.

Ironically, the very same organisation called UCCSA will be hosting organisations (*which will be named shortly*), just to mention one in relation to their beloved “*queen of hell*” is none other than the “*The British Board of Scholars and Imams.*” This wretched organisation does not feel any problem in going against the teachings of the Quraan Shareef and Rasulullah ﷺ to please the queen of their desires, bootlicking their leaders for a small meagre worldly benefit.

UCCSA’s dining partner, *The British Board of Scholars and Imams*, released a statement stained with their crocodile tears:

*“Her Majesty the Queen has been a continuous presence in people’s lives, mostly silent, dignified, and above politics. She has served as an example of long-held but often forgotten human characteristics such as **responsibility, honour, restraint, dignity, and nobility.***

Though born into the highest office in a hierarchical and deferent society, she has exemplified the virtue of servant leadership by being in the service of people for approximately 70 years.”²

HM Queen Elizabeth II 1926-2022

To God, we all belong, and to God, we shall all return

This country has had fifteen prime ministers and one head of state in the previous seventy years. Her Majesty the Queen has been a continuous presence in people’s lives, mostly silent, dignified, and above politics. She has served as an example of long-held but often forgotten human characteristics such as responsibility, honour, restraint, dignity, and nobility.

Though born into the highest office in a hierarchical and deferent society, she has exemplified the virtue of servant leadership by being in the service of people for approximately 70 years.

By virtue of the long life and good health God afforded her, she has embodied another, oft-missed human need: the need for constancy.

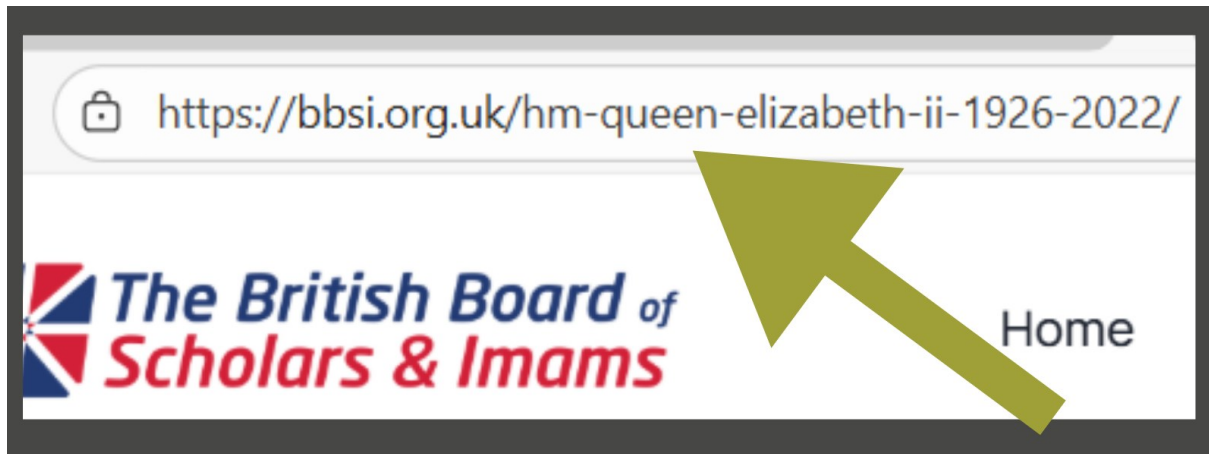

As she returns to her Lord-the Lord of the Worlds, before whom every human title, honour, and rank fall away, leaving only the soul in its simplicity-we pray that the Will of the Merciful Lord be done, for He is the wisest of Judges.

We offer our deepest condolences to her family and the whole country, bereft of a figure of surpassing dignity and leadership.

HM Queen Elizabeth II 1926-2022

NOTE: FACES COVERED DUE TO IT BEING 100% HARAAM. THEIR HELL OF A QUEEN IS NOT ABOVE THE LAW!

Praying for a Non Muslim

Allah Ta'alaah says:

And do not pray over any of them who has died - ever - or stand at his grave. Indeed, they disbelieved in Allah and His Messenger and died while they were defiantly disobedient.

Surah at-Tawbah 84

The Response of Rasulallah ﷺ to a Queen as a Ruler

Abu Bakra Radhiyallahu anhu narrated:

During the battle of Al-Jamal, Allah benefited me with a Word (I heard from the Rasulallah ﷺ). When Rasulallah ﷺ heard the news that the people of Persia had made the daughter of Kisra their Queen (ruler), he said,

"Never will succeed a nation that makes a woman their ruler."

Sahih al-Bukhari 7099

Now gaze back at that wild statement and this time ask the big question, how did the *British Board of Scholars and Imams* still have the audacity to oppose Allah Ta'alaah and His Rasulallah ﷺ by saying:

"We offer our deepest condolences to her family and the whole country, bereft of a figure of surpassing dignity and leadership."

By implication stating there could not be a better leader than the Hell of a Queen as she surpassed "*dignity and leadership.*"

Rasulallah ﷺ states clearly:

"لَنْ يُفْلِحَ قَوْمٌ وَلَوْ أَمَرَهُمْ امْرَأَةٌ"

"Never ever will a nation succeed that makes a woman their ruler."

Sahih al-Bukhari 7099

Clearly Opposing Rasulallah ﷺ

Allah Ta'ala warns about these Munafiqeen who are assisting to implode the Deen thus it is compulsory to expose theirs and their friends plots.

Allah Ta'ala says:

فَلْيَحْذَرِ الَّذِينَ يُخَالِفُونَ عَنْ أَمْرِهِ أَنْ تُصِيبَهُمْ فِتْنَةٌ أَوْ يُصِيبَهُمْ عَذَابٌ أَلِيمٌ

So, those who violate his (messenger's) order must beware, lest they are visited by a trial or they are visited by a painful punishment

Surah an-Noor, verse 63

The Aftermath of Praising the Queen of Hell

- The Queen of Hell died on the 8th of September 2022.
- This drove bootlicking organisations such as *The British Board of Imam and Scholars Charter* to release statements of praise. This opened up the doors of the Masaajid to pray for the accursed queen!³

ABUSING THE HOUSE OF ALLAH TA'LAA

The Wrath of Allah Ta'alaah Descends

These putrid organisations reckon, one needs to bow to the governments of the world when in the minority. They actually meaning doing kufr because of their perks which is not published so vividly! Now you recall, in the beginning we said, Allah Ta'alaah sends down His Angels for the service of mankind. However, when this human race turns against Him then there is no way to turn it back and nor is there anybody to assist thereafter.

Allah Ta'alaah says: “Surely, Allah does not change what is in a people until they change what is in themselves. And when Allah intends evil for a people, there is no way to turn it back, and for them there is no patron other than Him.”

Surah ar-R'ad, verse 11

The Guardian's Report: "The Weekend Before the Queen's Funeral"

- *"300 Hindus marched through Leicester" upon our Muslimeen*

On Saturday 17 September 2022, the weekend before the Queen's funeral, 300 men marched through Leicester.

Their faces were hidden by Covid masks and balaclavas as they made their way to Green Lane Road in Highfields, an area in east Leicester with a large Muslim population. On WhatsApp, it had been billed as a Hindu neighbourhood safety march. "It's very important for every Hindu to attain [sic] this meeting," an organiser wrote. "Otherwise in future, we will have to live in fear."

A Coincidence?

Well this has become all too common with Jamiatul Ulama South Africa, MJC under their umbrella of UCCSA! Sh Ebrahim Bham has gone from praying with Rabbi Warren Goldstein for Mandela, accepting cheques from Motsepe's wife, to sitting with Mandla Mandela's wife!

- Sh Abdullah Hasan was introduced as “*the national member of Imams and rabbis council.*”
- Sh Abdullah Hasan engages in interfaith sessions in Jewish schools. Evidence is available on the next page.
- Sh Abdullah Hasan does not bother about groups who do not follow a Madhab and thus was recorded saying, “*what we wanted to do you know, lets come together, lets look out on what we do agree upon, whether you are from the Hanafi Madhab, Maaliki Madhab, the four traditional Sunni Madhab or you don't follow a Madhab but you adhere to the principles of the Sunni Islam*”

However, the true organisations consisting of true Ulamaa, the Ulamaa of the Aakhirah together with the true Muslims reject any effort to unite with Kufr in Churches/Synagogues/Temples, whether in the name of interfaith or the Abrahamic Accord.

A Strange Tangling Trap

Is it strange that Trump's plan to take over Gazzah in the name of a ceasefire and peace slogans consists of interfaith?

The Man who admitted to supplying weapons that Netanyahu could not pronounce is calling for the board of peace? Pay special attention to point no.18!

ISRAEL'S WAR ON GAZA

Trump's 20-point Gaza plan

United States President Donald Trump has proposed a 20-point peace plan to end the war in Gaza after holding talks with Israeli Prime Minister Benjamin Netanyahu.

Summary of the 20 points:

1. Gaza will become a "deradicalised terror-free zone".
2. Gaza will be redeveloped to improve life for its people.
3. War ends immediately once both sides agree, with Israeli withdrawal to an agreed-upon line and ceasefire.
4. All captives, alive and deceased, returned within 72 hours of Israel's acceptance.
5. Israel frees 250 Palestinian life-sentence prisoners, 1,700 detainees, and exchanges remains proportionally.
6. Hamas members who decommission their weapons get amnesty or safe passage abroad.
7. Full humanitarian aid enters immediately to rebuild essential infrastructure.
8. Aid flows freely via UN and Red Crescent, Rafah crossing reopens under agreement.
9. Gaza governed temporarily by a technocratic Palestinian committee under an international board including former UK Prime Minister Tony Blair and led by Trump.
10. Trump economic plan to rebuild Gaza with global investment and job creation.
11. Special economic zone established with favourable trade terms.
12. No forced displacement. People are free to stay, leave or return.
13. Hamas excluded from governance, all weapons dismantled.
14. Regional partners guarantee Hamas's compliance and security.
15. International Stabilization Force (ISF) deployed to secure Gaza and train police.
16. Israel won't occupy Gaza, withdraws as stability and demilitarisation progress.
17. If Hamas rejects the plan, areas handed over from the Israeli military to the ISF will proceed.
18. Interfaith dialogue launched to promote "values of tolerance and peaceful co-existence."
19. Reforms pave the way for "Palestinian self-determination and statehood".
20. The US leads talks for a peaceful political future between Israel and Palestinians.

@AJLabs ALJAZEERA

Did you notice the word interfaith laced so well in their plans and plots?

Who are the organisations affiliated to UUCSA's Kufr:

Since UUCSA celebrates their 31st Annual Meeting today, it is worth analysing who is affiliated with this organisation pushing interfaith down the throats of this Ummah, making it possible for you the Ummah to lower a shoulder of mercy to Kufr.

1. Jamiatul Ulama South Africa (JUSA)
2. Muslim Judicial Council of South Africa (MJC)
3. Jamiatul Ulama KZN Based in KwaZulu-Natal province.
4. Sunni Jamiatul Ulama of South Africa.
5. Sunni Ulama Council of South Africa.
6. Eastern Cape Islamic Congress Based in Eastern Cape province.
7. Council of Ulama Eastern Cape Also in Eastern Cape province.
8. Darul Ihsan Humanitarian Centre.
9. Northern Cape Ulama Council.

Allah Ta'ala teaches us to remain aware and alert because if we fall into these traps of Kufr, then Allah Ta'ala will deal with us sternly. May Allah Ta'ala protect us, give us the above organisations the ability to repent so that the Ummah can unite on the pure Haqq! Aameen!

Allah Ta'ala says:

And this is because your Sustainer is not to destroy any towns for any injustice while their people are unaware.

Surah al-Anaam, verse 131

Allah Ta'ala says:

And if the people of the towns believed and feared Allah, We would have opened for them blessings from the heavens and the earth, but they disbelieved. So, We seized them for what they used to earn for themselves.

Surah al-A'raaf, verse 96
